Operational/GROOVY/GRAB

Transmittal of Agent Status Sheets

During their recent TDY in Vienna [] and [] drew up the attached status sheets covering GRAB assets in the several UW areas for which we are responsible. It strikes us that these sheets provide a useful, rapid survey of the current status of the GRAB assets and afford a rough basis for calculating the gap between present capability and minimum desired capability. GRAB will forward revisions of these sheets from time to time as appropriate.

31 March 1958

Attachment:

Status Sheets on UW Areas No. 1-8

Distribution:

- 3 - Muni w/att. in dupl.
- 2 - EE [] w/att. in dupl.
